If and when this situation arises we will explain and highlight this to you.

RETAIL CLIENT ISSUES - Typically we only provide General Advice to our Retail Clients. General Advice does not take into account your particular needs and requirements and you should consider the appropriateness of this advice to your circumstances prior to acting upon it. We will provide you with a General Advice Warning in such cases. If you are a new Retail Client purchasing Personal Accident or Sickness insurance and obtain Personal Advice, that is, advice that takes into account your particular circumstances, we will give you a **Statement of Advice (SOA)**, that sets out the advice provided and the basis on which the advice is made and our remuneration should you purchase the product. For existing Retail Clients we may not provide an SOA but rather provide the advice to you orally. In such cases you may request us to provide you with a Record of Advice (via phone or in writing) which we will provide to you within 28 days of such request. When you ask us to recommend an insurance policy for you, we will usually only consider the policies offered by the insurers or insurance providers that we deal with regularly. In giving you advice about the costs and terms of recommended policies we have not compared those policies to other policies available, other than from those insurers we deal with regularly.

If we recommend the purchase of a particular financial product, we will also give you a **Product Disclosure Statement** at that time, which sets out details specific to that product and the key benefits and risks in purchasing the product.

WHAT WE EXPECT FROM YOU - To enable us to provide the right advice we need you to provide us with complete information about the risk(s) that you face and those that you want to be insured for. You should also tell us about any relevant changes so we may review your insurance accordingly.
